Face of the Month Entry Form

This entry form is for the face of the month for Down Syndrome South Africa's 2024 Calendar

Step into a world of celebration with our competition running from mid-August through October's end, dedicated to embracing the individuality of babies and children with Down syndrome, aged from birth to 10 years.

January shines a light on the captivating charm of those aged from birth to 1 year, while February frames the delightful expressions of 1 to 2-year-olds. The procession continues, highlighting different stages of growth: April features the endearing 2 to 3-year-olds, May celebrates the winsome 3 to 4-year-olds, and so forth, until December welcomes the radiant personalities of 9 to 10-year-olds. This competition not only captures the journey of these incredible children but also underscores the joyous diversity they bring into our lives.
